Interest

About Me

Enthusiastic and highly motivated Entry Level PHP Developer with a strong foundation in web development principles, object-oriented programming, and hands-on experience in coding and debugging PHP applications. Adept at utilizing HTML, CSS, JavaScript, and MySQL to create responsive, user-friendly websites while adhering to industry best practices. Committed to continuous learning and staying up-to-date with the latest web technologies. Excellent problemsolving skills and a team player with a keen eye for detail, seeking opportunities to grow professionally and contribute to the success of a forward-thinking organization.
